We will be filing a provisional special application on this either today or tomorrow. In that connection, is your legal name "A. J." or do the initials stand for other names? The patent office always questions initials only and has been known to demand a "name" instead of initials. Please advise. Thanks.

Tina,

Enclosed is a patent disclosure that was sent in. I plan to get a PS filed today or tomorrow, so once you have loaded into the system please give Ann the docket number so we can file the PS.
